

**REACH CERTIFICATE**

Att. to Purchase Department

**Issue:** REACH

**N/Ref.:**

**S/Ref.:**

**Date:** 2025

Dear Sirs,

As Downstream Users inside the supply chain, once have been worked together with their suppliers, **VINILOS DEL ESTE, S.L. certify** that ALL raw materials use in their production process are registered in REACH for their application.

Concerning the list "candidate" substances SVHC (Substances of Very High Concern of authorisation), we inform you that one of the substances which appears in itself, **DOP (DEHP)** (Bis(2-ethyl(hexyl)phthalate)), CAS Number 204-211-0, Toxic for reproduction, cat.2, is included in the production of standard plasticized materials, except for the "Fire Resistant Class 1" and "Free of Phthalates" products. All rigid materials (no plasticized) are manufactured without any of the substances included in the ECHA list.

All products manufactured in VINILOS DEL ESTE, S.L., are considered as "ARTICLES" by mean of the new European Chemicals Regulations, for chemical substances on their own or in preparations which are manufactured in or imported into EU.

As the PVC Calandered Film is a transformed article not catalogued as dangerous or harmful substance and preparation, by mean Directive 67/548/EEC, on the approximation of laws, regulations and administrative provisions relating to the classification, packaging and labelling of dangerous substances, not concerning any risk to the human health

The Safety Data Sheet of all the substances and preparations used in VINILOS DEL ESTE, S.L. production process are updated usually to guarantee their right use and manipulation, according with the dangerous or harmful substance and preparation under the current legislation.

Remaining at your full disposal, best Regards

Sonia Arribas (Quality Manager)

Vinilos Del Este, S.L.
